William R. Minton & Sons, Inc.

Quality craftsmanship, unique design, workable floor plans and excellent materials are the foundation for the success of William R. Minton & Sons, Inc. Custom Home Builders.

William R. Minton and sons, Jeff and Roger, have been in the home building business since 1974 and are very dedicated to the business of constructing custom built homes.

The use of quality materials and fine workmanship have always been number one for the Mintons.

Minton & Sons' homes have unique designs with various roof lines, detailed brickwork, and an abundance of windows with specialty shapes for the exterior appearance and to allow the most natural light into the homes.

On the inside of the home, attention to detail is seen with custom designed and built fireplaces, libraries, bookcases, and crown moldings to truly give the home a custom feel and look.

As an award-winning custom home builder in the Pittsburgh area, Minton & Sons have built their reputation on quality, attention to detail, good customer relations and timely completions of their homes to provide the homeowner with a lasting value and a home to be proud of.
