

What To Do When You Arrive

1

- Enter our facility through the main entrance
- Go to the stop sign.
- Proceed to the right where the scales are located.
- Pull onto the scale with your loaded truck, tractor, or trailer.

2

- The operator may ask you questions and will let you know when to proceed to the transfer station to unload.
- After unloading, proceed back to the scales to get your empty weight which will determine the weight of your trash.

3

- Pay only for what you dropped off — we subtract your empty weight from your loaded weight to calculate your total.
- We gladly accept cash, checks and Visa, Mastercard, or Discover.
- We do not accept \$100 bills.

PRICE

\$75 per ton
\$4 per bag (up to 5 bags)
\$15 minimum

FREE

RECYCLE DROP OFF

- Metal cans
- Plastics (#1,2,5)
- Cardboard

We do not accept hazardous materials including asbestos, medical waste, and radioactive waste. Devices containing freon must have their freon removed and tagged by a licensed technician before being dropped off.
